REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Applicants have now incorporated the limitations of instant claim 6 (now canceled) into independent claim 1. Claim 6 was indicated as containing allowable subject matter in previous Office actions. Specifically, none of the prior art references of record teaches or fairly suggests the specific compound of formula (4) of instant claim 1, which require groups Z to be a 3-(m-hydroxyphenyl)propyl group.

The obviousness double patenting rejection to copending Application 11/912,631 has been withdrawn pursuant to MPEP 804(I)(B)(1) since the instant application has an earlier filing date than the '631 Application, which is currently under final rejection.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Correspondence

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ROBERT LOEWE whose telephone number is (571)270-3298. The examiner can normally be reached on Monday through Friday from 5:30 AM to 3:00 PM EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Randy Gulakowski can be reached on (571) 272-1302. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
